Othello

The Shakespearian classic is retold in a powerful visual language by illustrator David Hughes. The book was commissioned by German publishers Alibaba.

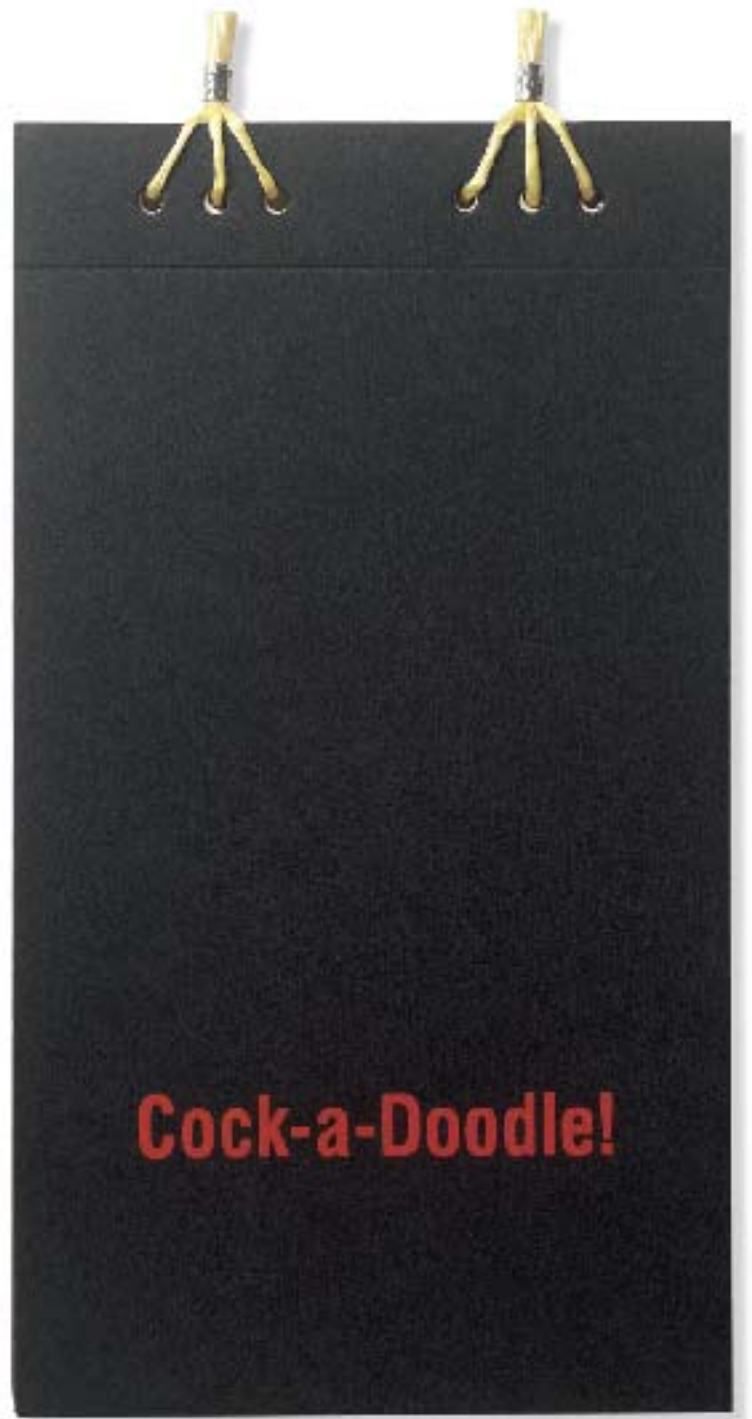

Royal Mail Annual

We have twice been awarded the prestigious commission to design the Royal Mail Annual of Special Stamps.

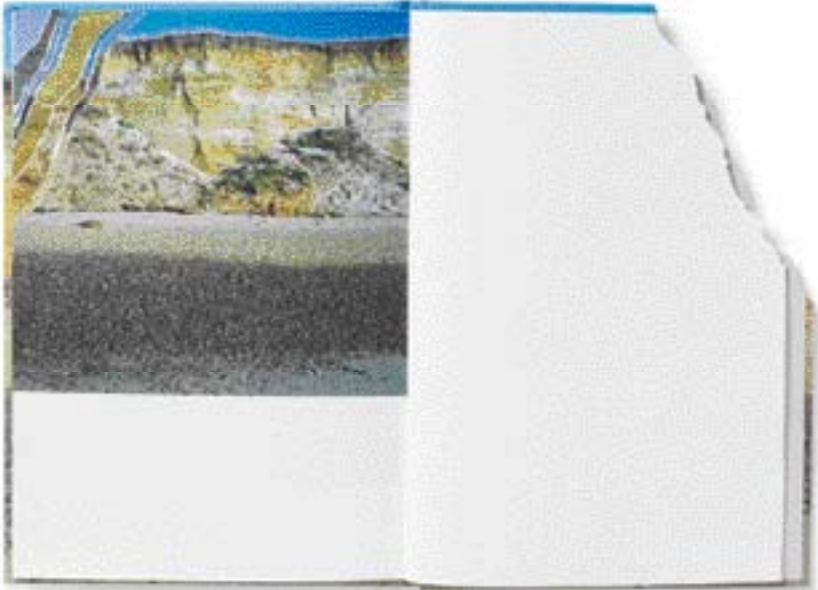

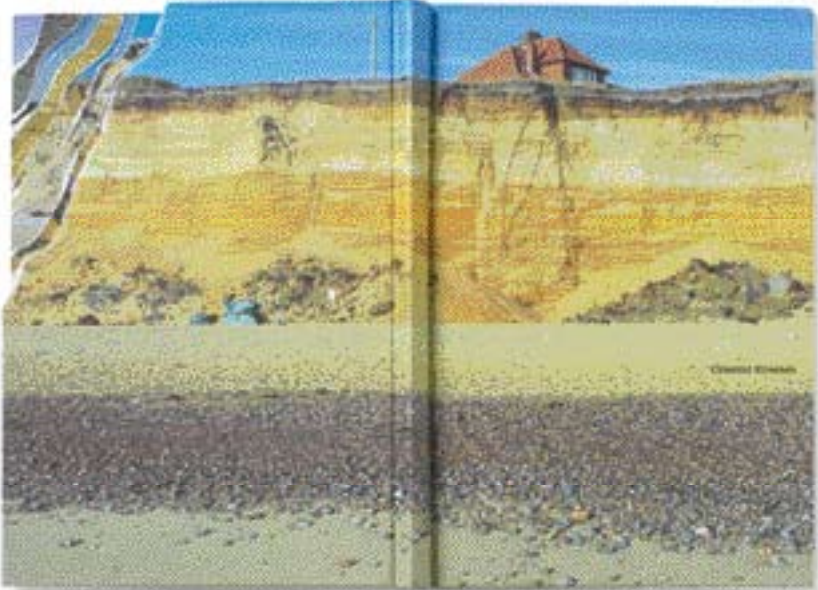

Cock-a-Doodle

A distinctive binding device that contained the limited edition number on the metal rings was adopted for this illustrative book.

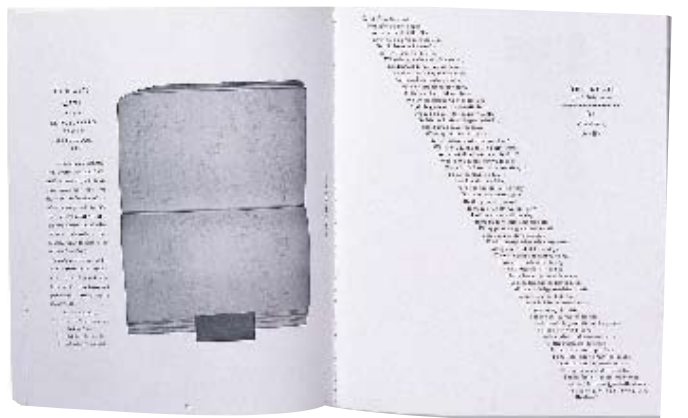

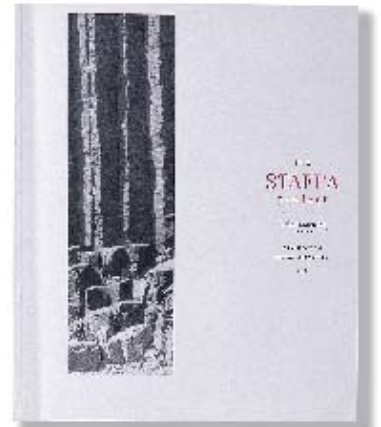

Coastal Erosion

The last few pages and back cover of photographer Jason Orton's book on coastal erosion have also begun to erode.

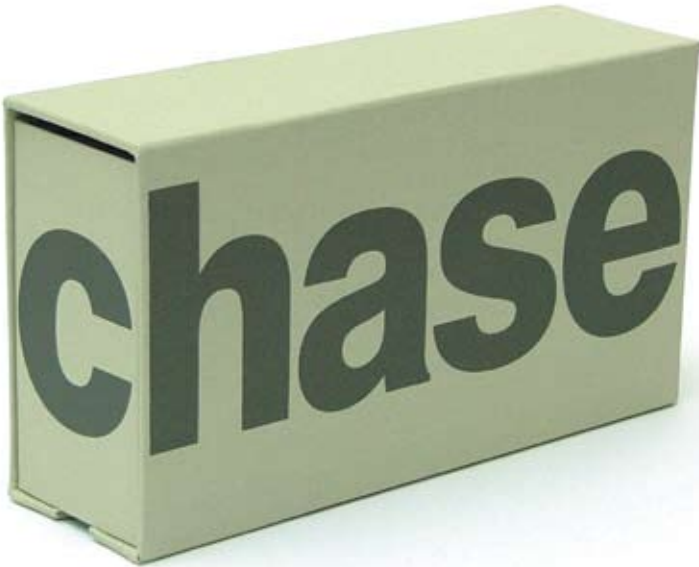

The Staffa Project

This book features the work of contemporary artists Ian McKeever and Thomas Joshua Cooper who followed in the footsteps of Turner, Keats and Mendelssohn by looking to the isle for inspiration.

Chase Postcards

A promotional book featuring imagery that The Chase has produced since it was formed in 1986.

Saved

An anthology of football poetry.
